minutes

SERIES
dramedy

Not your typical dramedy, this series masterfully combines wit and warmth amidst challenging.

S1: A touching series about Julie, who navigates her relationship with Marc and his polyhandicapped son, Antoine, while balancing her career and connecting with his often-overlooked younger son, Georges. The series highlights the trials and sacrifices faced by this non-traditional family, showcasing their emotional journey and growth.

S2: With Julie's departure and the hope for a better future for Antoine, a shocking revelation about Antoine's health sends ripples through the entire clan. Their vulnerability and grim prognoses force the family to focus on what truly matters. In this family wake-up call, Julie will temporarily put her career on hold, to provide unwavering support to Marc and the children.
