LIFE'S EPIC DUO

S1: In Like Father, Like Daughter, 24-year-old Daphnée and her intense 47-year-old father Pierre, who live life according to their own rules, embark on epic adventures in their neighborhood.

Their daily life turns mundane tasks into legendary quests, as they find joy and freedom together, even if it means ruffling feathers along the way.

S2: Season two begins with Daphnée's return to photography school to channel her energies and avoid serious romantic entanglements. Pierre, seeking fulfillment, joins a modeling agency and becomes obsessed with fame.

As father and daughter navigate their new paths, their bond strengthens, but they must confront past insecurities that threaten their progress.
