SKETCH
comedy

The Stunt Comedy Show is produced by a visionary group of Danes and is a non-verbal action/comedy sketch show filmed in over 10 countries on 3 different continents around the world.

Fast paced and full of action and laughter, the show is resurrecting the comedic style of legends and masters such as Buster Keaton, Charlie Chaplin and Jackie Chan!

The cartoonish style of the show reinvents non-verbal physical comedy by combining wild stunts with impressive visual effects & excellent camera angles.
